The key change includes, but is not limited to:

- **The above-listed Options have been removed from the Generations investment options Product Disclosure Statement (Original PDS), as the Responsible Entity has made a decision to terminate these Options effective 28 March 2025, as communicated separately.**

Full details of the changes can be found in the SPDS. As always, we recommend you read this document together with the Original PDS to understand the main benefits and risks of investing, along with other features of the Options.

Indirect investors should also review the Target Market Determination (TMD) for an Option before making an investment decision to consider whether an Option is appropriate for them. A TMD in respect of an Option is available at www.amp.com.au/investments-tmd.

Is any action required by investors?
