**Why the distribution conditions and restrictions will make it more likely that the customers who acquire the product are in the target market**

The distribution conditions will make it likely that customers who acquire the product are in the target market because they will have received one of the following before acquiring it:

- warnings or questions about key attributes and key limitations of the product which are material to whether customers are in the target market, or
- personal advice.

---

**General advice**

This condition applies to general advice (including most marketing)

**Distribution conditions**

<b>Distribution methods</b>	<b>Suitability</b>
Advertising on television, radio, the internet (including social media), billboards and physical banners, brochures and other marketing material available to the general public	Suitable
Other issuer approved communication channels (including telephone, email and social media)	Suitable

---

**Why the distribution conditions and restrictions will make it more likely that the customers who acquire the product are in the target market**

These conditions are appropriate as the target market is wide.

---

**Review triggers**

AMP Bank, and any distributor of this product, must cease retail product distribution conduct in respect of this product when AMP Bank determines a material event or circumstance has occurred in relation to:

- a change in law which materially affects the product design or distribution
- a material change to the product that is likely to result in the determination no longer being appropriate for the target market
- evidence, as determined by the issuer, of the performance of the product, in practice, that may suggest that the product is not appropriate for the target market
- material complaints (in number or significance) in relation to the terms of this product and/or the distribution conduct
- reporting from distributors, or consistent feedback from distributors on the target market which suggests that the determination may no longer be appropriate
- a material pattern of dealings in the product or of distributor conduct that is not consistent with the determination
- a notification from ASIC requiring immediate cessation of product distribution or particular conduct in relation to the product
